

**Don Bosco Institute Of Technology**  
Premier Automobiles Road, Kurla (West), Mumbai-400 070 India

---

**SOCIAL INNOVATION FOR ENVIRONMENT CLUB**

# **SIE CLUB**

---

## **ABOUT US:**

Amidst the thickly populated concrete jungles of the suburban Kurla, of Mumbai district, DBIT is an oasis of greenery. With a huge football ground and abundant lush green trees it's full of serenity and is a home to a variety of birds. With our Don Bosco values, we the students, faculty & staff of DBIT pledge to make our campus carbon neutral, create environmental awareness and promote sustainability with sustainable lifestyle using innovative engineering.

---

## AMBITIONS:

1. To instill a sense of responsibility towards the environment and a personal commitment to preserve it.
2. To create a carbon neutral campus (Net zero carbon emission)
3. To train students/faculty/staff to efficiently implement sustainability projects

“

*A step towards a Carbon Neutral  
and Zero Waste Campus*

-SIE Club

”

---

---

## OUR DREAM:

To be a globally known community  
for sustainability.

---

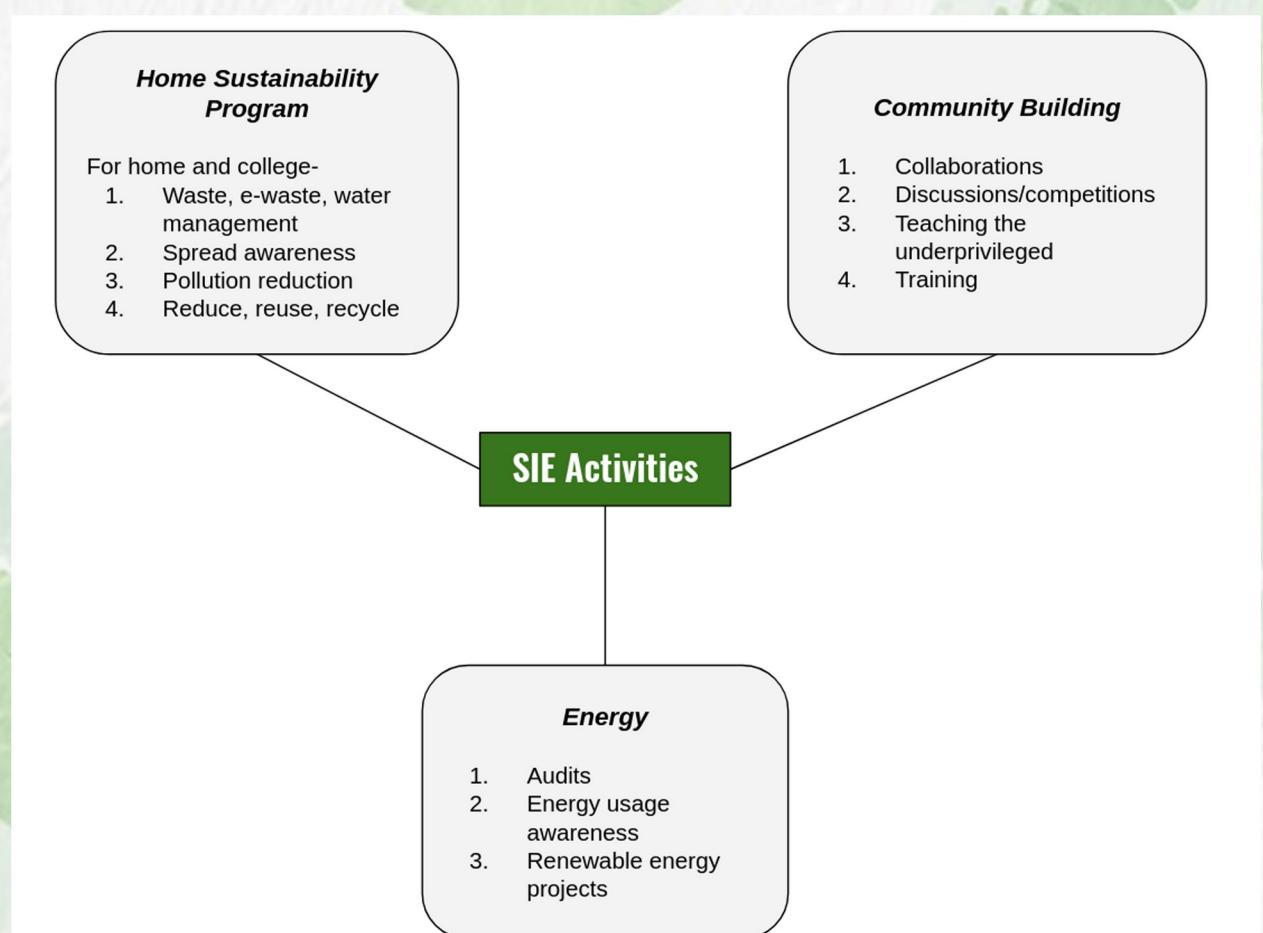

## **OBJECTIVES:**

- 1. To create awareness about carbon neutrality through activities/workshops/competitions and to train everyone to make the campus C neutral.**
  - 2. To collaborate with NGOs/organizations and together make a difference in conserving the environment.**
  - 3. To promote use of up-cycled products and advocate the significance of recycling.**
  - 4. To make campus green.**
-

---

## *What's our focus?*

The SIE activities are categorised into 3 verticals as shown below :

---

## Hanging out with Mother nature-

Site visits  
Nature trails  
Camps

## Let's go trending (thoda spice)-

Cultural activities  
Reels/short films

## Recreating green ideas-
